

Dear <<Colleague>>,

As previously communicated, on **Thursday 1st April 2021, Manchester University NHS Foundation Trust (MFT)** will formally acquire the **North Manchester General Hospital (NMGH)** site and services from The Pennine Acute Hospitals NHS Trust (PAT).

We are now getting in touch again to remind you of the next steps for you as a Substantive Doctor who works bank shifts at the PAT.

Your NHSP:Connect Profile

As a Trust substantive doctor who also works additional shifts processed through the NHSP:Connect portal, your bank contract will follow your substantive employment. During the w/c 22nd March, you will receive a new log-in to access NHSP:Connect for your new substantively employing Trust – which will be MFT with effect from 1st April 2021. Please note that if you currently work across all sites within the PAT (including NMGH), you will still be provided access to work at the hospitals you currently work at.

Bookings for dates post 1st April 2021

All your existing PAT bookings for NMGH that are on the system for dates on or after Thursday 1st April 2021, will be migrated across from PAT to MFT by NHSP & the Trust. This migration activity is expected to take place from the 15th March 2021.
