

GMMH – CPN / Social Worker / AMHP

Job Title and Grade: Social Worker (Mental Health) and CPN – Inpatient and Community Band 6

Location/Trust: Greater Manchester Mental Health NHS Foundation Trust (GMMH)

Pay Rates (hourly): Days: £15.55 Saturdays/Nights: £20.21 Sundays/Bank Hols: £24.88

Placement Ref/ID: J11-GMMH-CPN/SWRP

The Role:

Are you a CPN / Social Worker / AMHP who would like to be part of a multi-disciplinary inpatient and community-based mental health team, providing better lives for the community, working for one of the UK's most respected NHS Mental Health Foundation Trusts?

If you answered yes, then we would love to hear from you!

Based within a community mental health team within GMMH, you will be supporting social workers and mental health professionals across Greater Manchester, the North West of England and beyond. Care co-ordinating as required in line with the Trust Care Programme Approach (CPA) guidance and policies. You will report to the Team Manager for day to day management and will always aim to promote the independence and well-being of adults with mental health needs; assist social inclusion and valued community presence and enable the widest possible expression of chosen lifestyle.

We have a long-term placement opportunity (minimum of 6 months) available for a Band 6 Social Worker or CPN post at Greater Manchester Mental Health Trust, where you will undertake formal mental health and social care assessments of new clients within own caseload, ensuring that service users and carers receive clear and accurate information on:

- How to access the service around the clock
- Confidentiality
- Access to Records
- Their own Assessments and Care Plans
- Mental Health conditions and medication
- Service Publicity, including what they can expect from the service
- Community Resources
- Complaints and compliments procedures
- How to access Advocacy Services

Teams provide assessment and treatment to those patients experiencing a wide range of mental health problems including; depression, anxiety, psychosis, dementia, delirium and a wide range of specialist mental health and substance misuse services. They also provide Health and Justice Services in a number of custodial settings.

Employing around 4,750 members of staff, who deliver services from more than 130 locations, GMMH people are passionate, patient focused, positive individuals, who are committed to working together to help people live well, striving to give their people a great work experience where they feel supported and valued.

With a reduction in stigma both self and societal, increased accessibility of treatment and the use of new innovation techniques and tools, GMMH are delivering truly innovative mental health care and will continue to do so.

Skills/Responsibilities:

To apply for this post, you will:

- Degree or equivalent in Social Work
- Hold a current HCPC
- Possess skills as an experienced/be an approved mental health Social Worker, CPN or AMHP
- Actively participate in clinical quality assurance and learning programmes.
- Have a minimum of 6 months experience within Adult Services

In return for your hard work commitment NHS Professionals (NHSP) can offer you some fantastic benefits: –

Who are NHS Professionals?

NHS Professionals (NHSP), owned by the Department of Health and Social Care (DHSC), works in partnership with hospital trusts to provide a bank of highly skilled temporary workers who want to work flexibly within the NHS.

Working through the NHSP bank means Trusts don't have to rely on expensive agencies. Right now, we have over 130,000 members registered on our bank from various roles, grades and specialities, saving the NHS over **£70 million** each year. This money is then reinvested back into the NHS.

Apply
